

a. User Roles

Researcher

Marketer

Law Trainee

Pharmacist

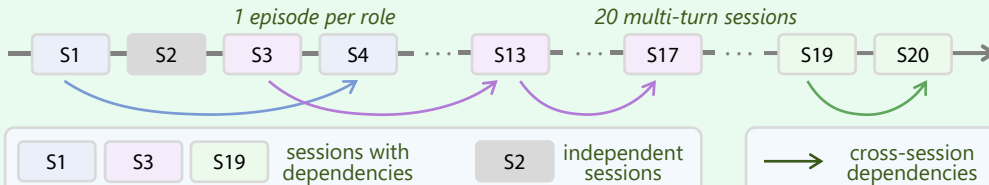

Financier

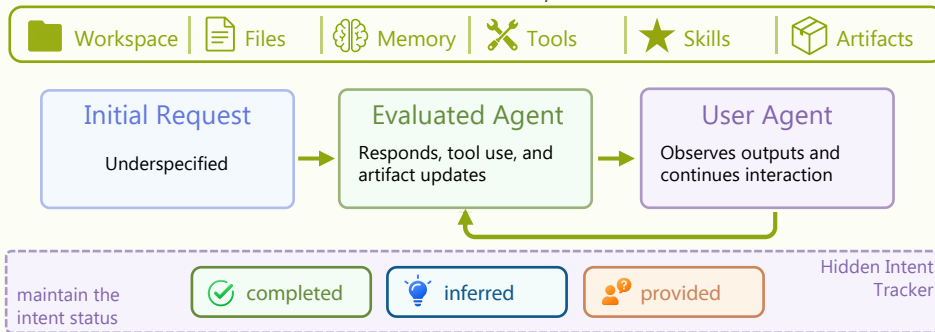

- 5 roles
- 100 tasks

b. Episode Structure

c. Persistent Project Environment

All sessions share the same workspace environment

d. Evaluation

Proactivity (Proc)

Measures how proactively the agent addresses user needs.

$$= \frac{\# \text{ Completed} + \# \text{ Inferred intents}}{\text{Total} \# \text{ hidden intents}}$$

Completeness (Comp)

Measures how well the agent satisfies the requirements.

$$= \frac{\text{Sum of grader scores}}{\# \text{ Checklist items}}$$
