A spherical clock is in front of a conical clock, partially hiding it. A cubic clock is to the side and fully visible.

Three rabbits, two straw hats, and four pine trees.

A deep crimson teardrop fig rests on top of a smooth ivory plinth, casting its unobtrusive shadow upon a pale turquoise fish positioned directly to the right, all bathed in golden afternoon light streaming through a large window overlooking cypress trees.

A cylindrical cage is red.
A spherical stone is gray.
A rectangular tile is blue.
A conical shard is red.
