Garment

In a classroom, a girl with black hair bows sits at a desk with a microscope and a physics book. She wears a denim corset top with white lace trim, paired with denim wide-leg jeans featuring a lace belt and tall black boots. She slowly rises from her seat to stand upright, showcasing the garment silhouette as the camera steadily pulls back. She then tilts her head slightly to the right, shifting her gaze from the microscope to look directly into the lens, her long hair swaying naturally.
