

Visual Narrative

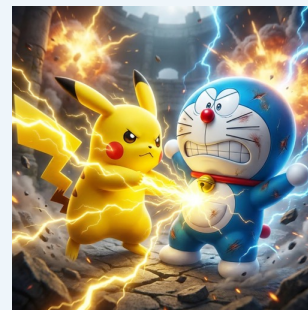

Show the fighting process of this two character step by step.

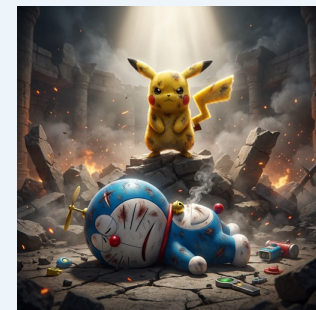

Generate the first scene of the battle. Pikachu and Doraemon are facing each other in a dynamic, confrontational pose, ready to unleash their powers...

Show the next moment in the battle. Both characters are now unleashing their signature attacks. Pikachu is firing a powerful...

Illustrate the climax of the battle. One character is on the verge of being defeated but is putting up a final, desperate struggle. The scene should be chaotic...

Generate the final image showing the aftermath of the battle. One character has won, looking exhausted but triumphant. The defeated character ...
