ViDiT-Q

*An extreme macro shot of a hummingbird hovering beside a dew-covered red hibiscus flower, iridescent emerald feathers, frozen wingbeat, crisp nature photography*

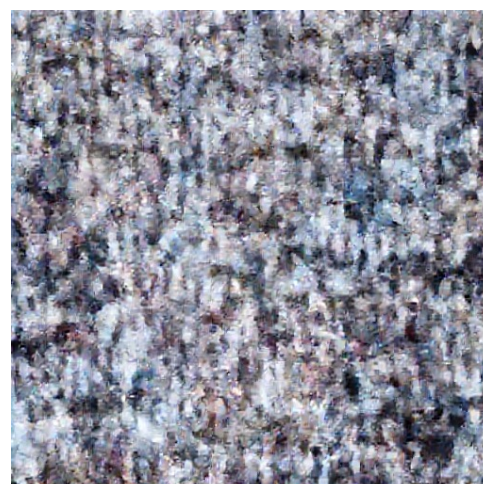

FLUX.1-schnell

*A high-speed macro shot of a single water drop splashing into a cup of coffee, a perfect crown-shaped splash frozen mid-air, studio lighting*

Z-Image-Turbo

*A red fox curled up asleep in fresh powder snow, individual fur strands and frost crystals visible, soft pastel winter dawn light, wildlife macro photography*
